Advisory 01/2026

Subject: Regular monitoring and timely disposal of Bills of Entry pending in Amendment Queue – reg.

This is for kind attention of all FAG officers under NAC(Primary Products)- FAG-1/1B that in cases where a Bill of Entry is recalled by the PAG and sent back to the FAG for approval of an amendment, many such Bills of Entry remain pending for considerable periods. It maybe noted that these recalled Bills of Entry/amendment requests do not appear in the regular assessment queue of the concerned FAG officer and are reflected in a separate amendment screen/queue, which may result in such requests not being noticed promptly.

2. In order to avoid delays in assessment and clearance of cargo, all Nodal Commissionerates under FAG-1/1B are advised to sensitize the concerned officers to regularly and periodically monitor the separate amendment screen/queue and to attend the recalled Bills of Entry/amendment requests on priority. The matter may also be suitably monitored at the supervisory level so that such requests do not remain unattended.

3. The Nodal Commissionerates may accordingly issue suitable instructions to all concerned FAG/PAG officers under their jurisdiction and ensure compliance.

4. Difficulties, if any, in this regard may be brought to the notice of this office.

This issues with the approval of the competent authority.

Encl: As above.
